

MONITORS SAT

1052

- FANLESS system
- Industrial circuits and components
- Touch solution with high durability
- VESA mounting system
- Integrated VGA interface

BENEFITS

- Resistive touch screen
- High resolution screen 1024x768
- Ideal solution for high traffic
- Special for Wall mounting

PORTS

WARRANTY

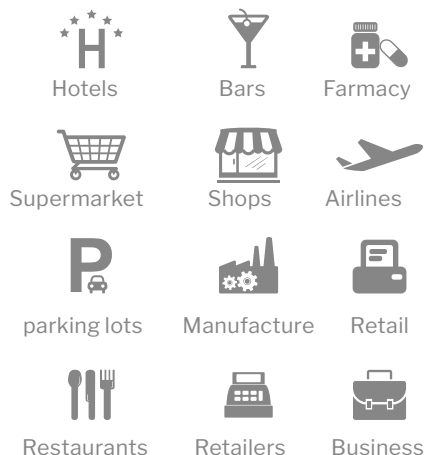

Contamos con el personal e infraestructura necesaria para darle un excelente servicio Post-Compra.

DESCRIPTION

The 1052 touch monitor comes with a metal table stand with a hard plastic cover. It is compatible with other mounting options using the VESA standard hole pattern on the rear monitor part. The touch screen recognizes touches coming from a simple pencil, finger, gloved hand, pen or different pointed tools. Thanks to its industrial components it is a durable monitor, suitable for high traffic areas.

APPLICATIONS

TECHNICAL SPECIFICATIONS
